

*"The college application process (along with financial aid, school selection, scholarships, etc.) is incredibly daunting, especially for those who lack support outside of school. College Apps Academy has filled this need for some of our most deserving traditionally underrepresented students, and we are so grateful for the guidance and attention they have provided them."*

*- Heather Golly, Counselor, Rancho Buena Vista High School*

College Apps Academy provides tools and resources to successfully apply, afford, and thrive in college. Our program options include:
